CONTEXT METRIC 1: ENROLLMENT (Unduplicated Headcount)

Enrollment is based on Summer , Fall and Spring

For Summer First time, Full Time students are >=9

For Fall & Spring First time, Full Time students are >= 12

CONTEXT METRIC 2: COMPLETION RATIO

UG FTE is based on Undergraduate students (less than Master's Level includes concurrent enrollment)

FTE is calculated by dividing the total number of SCH (i.e 30 for UG for AY 07-08 (including Summer 07, Fall 07 and Spring 08)

If a student is enrolled in 0 credit hours classes then they may not be included in FTE calculation

Pell recipients at any time

An undergraduate student is considered a Pell Recipient at any time if the student received a Pell grant at any time during the student's undergraduate ten
